9th February 2018

The morning of Friday 9th February saw Sandy and Veronica lead eleven ramblers on a walk from the Mole Inn, Monk Sherborne through Charter Alley and on to Ramsdell before arriving back at the starting point. Given the recent rains it was not surprising that there were some fairly muddy sections this time but an enjoyable ramble of about 4.5 miles none the less.

On Sunday 18th February Julie and Pauline were our leaders and after departing the usual meeting place in the village, led another eleven ramblers on a morning walk of about six miles starting from the Queens College Arms on the Aldermaston Road.

From here the route took us across the open fields towards Clapperhill before turning north towards Wyeford Farm. While the weather was better than the previous weeks walk it was still muddy under foot in parts. Continuing towards West Heath the route turned East and then South passed Rawlins Farm and again around Monk Sherborne before ending back at the Queens College Arms.

Our AGM on 12th February was held at the St Leonards Centre when 24 members were in attendance and enjoyed refreshments after the business of the evening was completed. I'm pleased to say that the average attendance on each walk and our membership in the last year increased slightly but we always look to welcome new members. The committee was voted in unchanged again but we have a vacancy for one committee member.
