On my fairly regular daily walks around the Village recently it's been great to see so many people out walking and, I hope, potential new members for Oakley Ramblers Club.

I'm pleased to say that we are now putting the final touches to our walking programme for 2021 with the aim of our first walk in early June or possibly one on 28th May. This obviously depends on us all continuing to follow the rules and having our vaccinations when offered.

Our programme this year will have two or three walks each month on a variety of days and times. Once it has been finalised it will be available on our website www.oakleyramblers.org as well as in next month's Link but I have shown the provisional programme below.

Oakley Ramblers Club is a group of people, mainly from the Oakley area, who enjoy walking in the Hampshire countryside and occasionally further afield. If you enjoy walking why not come along, join us and see how much fun it is. We are always looking for new members and you will be made very welcome.

In addition to our walks we hope to have one or two social events during the year and again details of these will be available once confirmed.
