Ramblers Club

Affiliated to HF Holidays Limited

Due to the continuing restrictions at this time I have little news on our activities over the last month. However the good news on vaccines and hopefully the good behaviour of us all we should be back Rambling safely early in 2021.

On behalf of the Oakley Ramblers Club I would like to wish everyone a Happy Christmas and hope that 2021 will also be a much Happier and Safer New Year for you all.

Our website will have up to date information and you can receive regular email updates and information about our programme of walks by signing up to our website at <http://oakleyramblers.org>
