

Upcoming Walks

Saturday 1 st October	AM/all day
Wednesday 5 th October	morning
Saturday 22 nd October	AM/all day
Wednesday 2 nd November	morning

Locations, timings, distances and contact numbers for walks are published on oakleyramblers.org 6-10 days before each walk. Walks generally meet at Oakley Schools lay-by. For more info email oakleyramblers@gmail.com.

Walk Reports

Friday 5th August

After a few sat nav blips, 15 walkers set off, at a good pace, from **Rotherwick** lay-by just after 7pm. It was calm and hot. The fields were dry and hard as no rain had fallen for weeks. The slow-moving clouds in the evening sunshine gave occasional shade. We walked along footpaths, a bridleway, through wooded areas, shade of hedges, and across fields with undulating hills. Then in the direction of Hook past Readan Pond, turning right with Tylney Hall golf course on our left. Continuing over a wooden bridge up and past some cottages, bringing us back into Rotherwick village. The Coach and Horses provided drinks in the garden as the sun went down and the moon appeared, or food in the restaurant. A circular evening walk of around 3.6 miles. Lead by Julie and Pauline.

Sunday 14th August

The 7.2 mile walk planned for **Winchester** area unfortunately had to be cancelled due to little chance of shade and forecast temperatures of 30 plus.

Wednesday 31st August

A group of five walkers set off from White Hill CP in perfect walking weather - slightly cloudy and breezy but the sun came out to keep the temperature perfect. We followed a circular 6 mile route that started on the Wayfarers Walk, then turned off, taking us through **Hannington** and later past the mast at Cottington Hill. There were some up and downhill sections but we were rewarded with great views over the Downs. Lead by Pat.
