---

Unfortunately our planned walk for 14<sup>th</sup> January was cancelled due to the lack of a leader but the 2022 year's programme has been made and is available on our website [www.oakleyramblers.org](http://www.oakleyramblers.org)

Following the 2021 Zoom AGM, our long awaited face to face 2022 AGM took place on the evening 9<sup>th</sup> February 2022 with the venue being Oakley Village Hall, Andover Road. Twenty two members were in attendance. The outgoing Chair, Peter Shead gave a report on our activities last year which included seventeen walks ranging in length from 3.5 to 13.5 miles, a walking weekend in Malhamdale area, North Yorkshire as well as social events arranged during the latter part of last year.

We were pleased to welcome Tim Parry as our new Chair, Pat Dominey as Secretary and Julie Shawley as a new committee member. Thanks were expressed to Peter and Pauline Shead, Sandy Steele and Roy Yeoman who stood down from the committee.

A similar full programme of walks is planned this year with walks both at weekends and on weekdays, including mornings, evening and all-day walks as well as a number of social gatherings.

This year our walking weekend will be in and around St.Ives, Cornwall.

We welcomed a number of new members over the last year so, if you like walking with a friendly group please join us on one of our rambles. We hope that the programme of walks will provide you with a walk to suit you.

Roy Yeoman
