

Sunday 25th May 2022

On Sunday 25th May 5 ramblers met at the lay bye st Preston Candover prepared to do a 9.5 mile day walk passing Moundsmere Manor and walking through Nutley Downs to the Fox at Ellisfield for a half way drink and back passing The bluebell woods. However the unprepared for constant downpours resulted in a Universal decision to give up after our drink in the pub.

It was an eventful walk with us competing for the foot paths with many horse riders taking part in the 'Candover Valley Summer charity horse ride'.

The riders were as wet and cold as we were.!

It was decided to redo the whole walk when the weather was more favourable.
