AGM 2023

Dear Members,

As a prelude to the upcoming AGM on Wednesday 8th February 2023 we are required by the Club Constitution to give the Membership good notice of any current Officers of the Club who do not intend to stand for re-election.

All Officers are happy to stand in the coming year

I am notifying you the following people will not be seeking to continue in post:

Current Committee:- Chris Williams

This presents us with the opportunity to welcome another member for next year's Committee.

If you would be interested in joining our committee, or would like more information re what is involved, please contact Pat Dominey at pat.dominey152@icloud.com

Relevant papers and nomination forms for the upcoming AGM will be sent out in January.

Best wishes

Pat Dominey
