2022 Post-Christmas Walk & Lunch

Wednesday 28th December 11:00, ten walkers set off from Oakley schools lay-by (bus shelter) for a 9 mile circular walk. Rain and wind really hit hard in the face walking across the field to South Wood, where two walkers left us to return via Pardown and rejoin us later for lunch.

Next through the wood leaving the strong gusts of wind behind and setting off across the fields to the cottage near the end of Trenchards Lane. Following the path by the old farm, we squelched our way towards the top end of Hatch Warren arriving at 13:10 at the Holly Blue where we were grateful to get out of the rain and wind, into a warm welcome from staff and a table waiting for us. There we were joined by other members making 18 in all.

The 6 of us who walked back left at 15:10. Pat and Carolyn set off at a fast pace along the multiuser path. Weather had settled down and, with a firm path beneath our feet and no rain, we met up at Oakley railway bridge at 16:30. Some went their separate ways, others back to Oakley Schools lay-by. *Organisers/leaders Lynn & Pat*
